This document is a governmental record. Individuals who knowingly make a false entry in a governmental record are subject to criminal prosecution and revocation of any and all state explosive permits. I hereby certify that I have answered all questions truthfully to the best of my knowledge. All provisions of local, state and federal laws and ordinances governing explosives will be complied with whether specified or not.

I affirm that all individuals with access to explosives stored on site have adequate training and field experience in the safe handling / use of explosive material; that no individual with access to explosives on this site has been convicted of a violation of any explosive law or regulation (regardless of state); that no individual with access to explosives on this site is currently under indictment or has pled to an information for/or has been convicted of a crime punishable by imprisonment for a term exceeding one (1) year; that no individual with access to explosives on this site is a fugitive from justice; that no individual with access to explosives on this site is addicted to narcotics or dangerous drugs; that no individual with access to explosives on this site has ever been adjudicated as a mental defective nor has a physical defect that would interfere with the safe and proper handling of explosives; that no individual with access to explosives on this site advocates or knowingly belongs to any organization or group that advocates violent overthrow of or violent action against any federal, state, or local government, and that no misrepresentation of any of the facts or information contained herein was made to fraudulently obtain this permit to use; and that all individuals with access to explosives on this site will adhere to and abide by all the rules and regulations as pertaining to explosives, and shall be responsible for the results and any other consequences that may arise from handling, loading or firing of any explosive material.
